

CARMINE AGNONE

LEAD MATCHMOVE/LAYOUT ARTIST

Profile

After University, I worked as cameraman/editor for a post-production company, in Genoa (Italy) for 5 years. Seeking greater challenges, after an intensive VFX course at Escape Studios, I started working in London acquiring new skills and experience on feature film and tv shows.

Skills Overview

Working in Italy and UK for medium/big size company and freelance agencies gave me the right expertise to my own business and the experience to work with a team!

My knowledge of several software makes me more flexible in post production, adapting myself to any kind of work environment.
